P.O. Box 1450

Sir:

Applicant hereby requests the Commissioner to issue a Certificate of Correction for the above-identified U.S. Patent No. 7,276,589 under 37 C.F.R. § 1.322, to correct mistakes incurred through the fault of the Office. No fees are believed to be due with this correction, however, should any fees be required for any reason, the Commissioner is authorized to deduct the fees from Deposit Account No. 08-3038 with reference attorney docket number 05882.0178.NPUS01.

Applicants hereby request the following corrections in the above-captioned patent:

THE CORRECTIONS

In the Specification:

Please replace the Sequence Listing beginning at column 35, line 40 with the Sequence Listing submitted with Applicant's October 26, 2006 response.

In the Claims:

In Claim 9, column 72, line 49:

Please replace "carder" with -carrier--.

THE REMARKS

The correct Sequence Listing was submitted with Applicant's October 26, 2006 response to the July 27, 2006 Office Action. Entry of the Applicant's October 26, 2006 amendments was confirmed in the January 11, 2007 Office Action. Therefore, the failure to enter the Sequence Listing submitted with the October 26, 2006 response resulted from Office error.

The correction to Claim 9 is to correct an error in printing. All versions of the claims submitted to the Office contained the word "carrier" instead of "carder." (See, e.g., May 10, 2007 response).

Respectfully submitted,

Date: January 14, 2008
